PROPERTY DESCRIPTION

BUYER TO VERIFY SQUARE FOOTAGE. This 4 bedroom 3.5 full bath home on an oversized level lot in the desirable Ashley Mill subdivision is an absolute must-see! From the moment you enter this meticulously kept house with its open and flowing floorplan, you will want to call it your home. The great room is spacious with heavy crown molding, hardwood floors, chair-rail detailing, box paneling and a gas fireplace with a beautiful decorative mantle. The formal dining room also has hardwoods, crown molding, chair-rail detailing and a built-in china display. The updated kitchen boasts tile floor, granite countertops, a convenient breakfast bar, Wolf gas cook-top and wall oven, pantry, wine cooler, and a large breakfast nook for casual dining. The master bedroom has a tray ceiling, 2 walk-in closets and a gas fireplace, while the master bath has beautiful corian countertops, double vanity, tile floor, garden tub, separate shower, and two private commode areas. There is ample room for entertaining -whether it's upstairs in the enormous rec room or outside in the poolside loggia. Beautiful landscaping and a great fenced-in back yard only add to the appeal of this home. Foyer, master bedroom and guest bedroom freshly painted in warm but neutral colors.
